So the amendment was adopted.

Messrs. Simmons and Roberts, of the joint committee, upon the part of this house, to wait on his Excellency, the Governor, and to invite his attendance in the senate chamber this evening at four o'clock, for the purpose of signing and sealing such of the engrossed bills passed at the present session as are ready for his signature, reported that the said committee had discharged the duty assigned them, and that the Governor gave for answer that he would accordingly attend in the senate at the time appointed for the purpose above mentioned.

The speaker announced that the hour had arrived for taking up the order of the day.

Mr. Williams moved to suspend the order of the day until the house acted upon the bill under consideration, entitled, a supplement to the act to fix and make permanent the salaries of certain officers of the civil government,

Determined in the negative.

The house then resumed the consideration of the unfinished order of yesterday, being the report submitted by Mr. Alexander, chairman of the committee on ways and means, on the 8th inst. in relation to the subscription of the State to certain internal improvement companies.

On motion of Mr. Risteau,

The house again resolved itself into a committee of the whole house upon said report (Mr. Maulsby being in the chair) and after some time spent in committee, the speaker resumed the chair; and the chairman reported that the said committee had, in obedience to order, had said report again under consideration and having made some progress therein, had directed him to ask leave to sit again—which leave was granted by the house.
